Introduction

Discover the beauty of Luang Prabang on a half-day cycling adventure. Choose between a lightweight Nich Gravel Bike or a comfortable Touring E-Bike.

Your guide picks you up at **8:00 AM** from your hotel. We start by cycling through the charming old town and visiting the famous **Morning Market**. Afterward, we cross the Mekong River by ferry and continue on an **80% gravel loop** with almost no traffic. Rolling hills take us through lush farmland, rice paddies, and fruit plantations. Along the way, we stop at a local village to visit a temple and enjoy refreshments at a small shop.

A highlight of the day is the **Pottery Café**, where you can relax over coffee before returning across the Mekong and cycling back to your hotel. The tour finishes around **1:00 PM**, leaving your afternoon free to explore Luang Prabang at your own pace.
